Luke 4:18: "The spirit of the Lord is upon me, because he hath anointed me to preach deliverance to the captives and recovering of sight to the blind, to set at liberty them that are bruised or offended and to preach how the acceptable day of the Lord is installed by the new attana called the Holy Spirit." In this study manual we will help you examine the heart weeds or unproductive trees from your fault zones or barrenness of holes that produce no oil. The new relationship with the Holy Spirit acts 2:1-4 will manage these fault zones and produce oil of the anointing, helping us to engraft the promises of God that are in our empty treasury zone. The new promises are made up in Heavens manual in our new relationship and were predestined to be given to us as our inheritance trees, to be used as a tool to fulfill our destinies from The divine nature. **II Peter, Chapter 1:1-12**, is called virtue treasures trees. will help us to connect to Christ in heaven and Christ on his throne. Charging your batteries which changes your conversation which attracts heavenly things and people on the same path to heaven and the lambs book of life. **James 1:1-22** says, he that looks into the perfect law of liberty and continues in it not being a forgetful hearer but a doer of the work. of declaring heaven will be glued to this magnetic mirror of the original recording of God almighty. This will enhance you to look at the reflection of Christ continually, and he will abide in Christ and become not a forgetful hearer. This will also make him become a doer of the works of the promises of God and shall be blessed or prosper in his garden harvest trees. The mirror will show you how to fix your conscience and pull up evil roots weeds that grow in your heart's personality. This will prevent the devil from allowing his demons to steal the word that was planted in your heart. **Mark 4:1-34** www.godmanarmy.com The new Holy Spirit's mirror produces a vacuum, a magnet that draws and magnetizes more of Christ into the walls and fabric of your heart; and when you wake up, the Holy Spirit will be activated to guide you and speak with you daily. **Mark 11:22** says: "Have faith in God." That means put each promise, as a brick, into the walls of your heart. (You're building a wall and a fortress to keep evil thoughts, imaginations, and demonic signals or frequencies from infiltrating your mind or your heart's garden's personality.) speaking to these 7 parts of your heart's wall or holes will produce a new oil substance or voice prompt. **Hebrews 11:1** say and meditate every hour ten times and memorize: "Faith or trust confidence is the substance of things hoped for and the evidence or the signal of things not seen." replacing the equipment by adding a new substance which produces a new reflection of Christ. When you lay down to sleep, All you see now is Jesus picture of his promises replacing your faults, weaknesses, fears or your emptiness. into beautiful paradise confidence fruit trees. so let's pray and ask God to forgive us today. memorize Hebrews 11:1...and test your thoughts and imagination attana by listening is it producing voices of fear anxiety depression worry or trust for God...and write it down in this journal what happen to you today. day one.

2 .second day challenge we will talk about trust trees Trust that the Lord will fulfil all the promises he has for you by growing them in you. Be not moved in your faith garden zone. Know that the Lord will adhere to his promises. Do not think that something bad is going to happen to you or your family.write it down so we can reverse the tree.job 42:60.and god turned the captivity of job when he prayed for his friends.so have you forgiven.if not pray .lord i release that person and bless them and there family say this for sixty two days on your knees.to start decompression We must speak to the mountains which are in our fault zones: like doubt, unbelief, which are false bricks and trees. We must peel back all the layers of dysfunctional characters and personalities; for example, failing to express or being uncertain of the right and wrong opinions. The example of this would be pausing when you are uncertain without prayer.so always Pray to Jesus for direction.example **1 Kings, 18:21**, Elijah came to the people and said, "How long will you falter between two options?" "If the Lord is God, follow him." Remember, we are looking at the wall of our hearts, and these are people who were not born again of the Holy Spirit. And we are looking at the heart's wall now as believers, and he is reprogramming our conscious to follow God through the divine nature of the Holy Spirit. We do this through his nature, through his intent, motives, character, appetites and cravings. The Holy Spirit will help us tap into what he showed Elijah. then continued and said, "But if Baal be God, follow him." The people answered him not a word. The false prophets prayed to Baal like the gods who torment us today through tourism from morning to noon.**1 Kings 18:21-31**: "On Mount Carmel, Elijah mocked the 400 prophets at the noon time. Elijah, took 12 stones, prayed and he called fire down from heaven.this showed people their faults.and made the children of Israel trust God when the 400 prophets were killed. Israel became aware that God answered Elijah's prayer, Baal did not answer the prophets. People started to believe the God of Elijah.This occurred regardless of the weeds of doubt in their characters. Elijah stood on the promises of God and ensured that the attention to God's covenant will speak to the deception of the false prophets .They watched as Elijah decreed,, and proclaimed God's sanctified word..from the leadership of jezebel.. This unbelief emanated from their hearts, not being born again or having the Holy spirit **Acts 1:8**.The false prophets could not fall in love with god because they were under a spell. also because Jesus had not yet died on the cross.or activated the promises **Nehemiah, 3:1-23**, had to rebuild these walls.also Chart 90, help us to see seven dimensions of the walls of the hearts conscious. Showing nehemiah's mirror , how his hearts character and nature responded under pressure. people rejected rebuilding the walls under pressure .Your response to different test is important it shows your real mirror and character, so watch your words when you're put in a storm.The people in Nehemiah's day rejected the instructions of God. They complained, gossiped, and rebelled against God's instructions. These were deep character weeds bouncing off the mirror walls of God's instructions. that made them incapable of flowing through and bearing the fruits or character of god.. Day two memorize meditate and declare seven times per hour.job 42:60 . lord jesus turn my captivity lord I forgive everyone and I release them from a poor image and bless them and write down your thoughts or imagination of rebellion or rejection that floats to the top of your thoughts when you pray for others

3. Day three Nehemiah's character was an example of Jesus' integrity. But they, the other people who wanted to argue and fight about God's instructions, all represented brokenness and disconnectivity from God and old weeds or characters that needed to be pulled out and regenerated from the healing promises of God, old characters floating out of the fault zones of disobedience or witchcraft and idol worshipping. Satan managed to deceive them because they did not spend time with God in prayer and fasting. Or the study of the holy scriptures. If they ever did it, they did not spend time with a genuine and sincere heart. They were not humble enough to follow and adhere to their creator's, God's, instructions. The opposition of these people was manifested through strife and complaints. When Nehemiah began to rebuild the walls, he pulled out the weeds of these characters which were deeply embedded in his community's personality. In today's language, this is referred to as liberalism. or Islam. Nehemiah, just like you and I, would not have realized the true nature of the disagreement in their hearts and the different opinions they had towards God if God had not instructed him to rebuild the walls. or wells. My question to you today, beloved, is what wall or well did God tell you to rebuild, or dig? Do you have any opposition from loved ones or enemies that have broken your heart? Tell us about it. **Genesis 37:5**, God tells Joseph in the dream that his family brothers and father even the moon, would bow down to him. When Joseph shouted this dream to his family (brothers and father), they all got so angry at him, they decided to kill him or sell him to the Egyptians. The Ishmaelites took him with the caravan to be sold as a slave to Potiphar. The Lord was with Joseph, and he prospered in everything he did. Joseph did not concentrate on his fault zones but concentrated on the divine promises of God gifts that were under construction to save a world from famine, which rebuilt the walls of his conscience. This sent out signals to the Holy Spirit to bring prosperity to his life. What manifested there made Potiphar and his wife become aware that Joseph prospered in everything. Potiphar's wife was attracted to the holy signal and pure mirror that Joseph portrayed. (We call it body language). Potiphar's wife then started to covet Joseph refused to respond to her fault zone of adultery, she decided to fabricate lies about Joseph because she lacked the tree of holiness out of the wall of her heart. Genesis 39:8 She proclaimed lies that Joseph tried to rape her. These lies became a blessing to Joseph as they pushed him into his pleasure zone to heal others. where he would eventually be second in command and rule Egypt. Day three memorize meditate declare psalms 103:1-5. say seven times today. let's pray for a new tree of healing in our hearts against lies that caused the memory of brokenness.; lord we remember your benefits in psalms 103 and we trust your word to spring forth as a new tree of healing and restoration write in your day three journal what your thoughts and imaginations say to reject the new healing tree and send a message on our blog to help others. www.godmanarmy.com

4. Day four released from your prisons .Joseph had to be tested in his captivation well and fault zone. to see if he could pass the test. Nehemiah was tested when asked to rebuild the walls to secure the people of Israel, Joseph was tested with adultery to see if God could trust him. after many years of imprisonment god developed his gift to hear, Joseph interpreted the dreams of the king's servants (a baker and a butler). Each had a dream of three vines. The butler's vine grew up and budded and bore fruit. The baker's buds were eaten by birds on top of his head. but the butler was restored back into service of the king. The butler was also tested and shown a valuable lesson: not to take people for granted. He used to serve the king and rubbed shoulders with him. He served the king wine and had the opportunity to talk to the king. Maybe he did not wash the glass. when the king asked him for a drink, or maybe he showed some arrogance towards the king in his body language. Though the king loved him, he put him in prison. This tested the butler's mirror in his character and changed how he respected and reflected on leadership. When he was restored back to the king's service, he exercised a new character. He became humble, sincere, and loving with the king .Now the real intent and character of the other servant of the king. The baker was always late and, vulnerable in the appetite having no restraint when it came to food. I had this weakness. In America, statistics say 30 percent of all Americans are overweight. Why do you think this is? The baker was down in the kitchen eating all the food when the king was waiting for his dinner. A gluttony tree was his downfall. This weakness in his trees fault zone got him dismissed and hung. This fault zone today. Employees will talk on their cell phones or pornography on the internet. while they should be working, and they wonder why they do not get promoted. Their fault zones chokes out the ability to concentrate and focus on what they are being paid for. and to create solutions for the owner of the company. Nehemiah saw this, and God said, "Rebuild the walls of the people's hearts and restore their faith,." Here we look at the fault zone of many pastors. They make people depend on them instead of Jesus and the Holy Spirit. **John 14:1-23**, he is the first tree and teacher. He remodels your house and pulls up the roots and weeds in your character's fault zone garden .We have addressed the four different areas of the house of your heart that control the volume of the remote control and how they function. **Luke 4:18** talks about the voice of the spirit of the Lord, and he is upon me, and you, and he has anointed me, and you, to preach the difference between Jesus honor and the images of the world, to preach the gospel to the poor and the brokenness of the heart, and the healing power of Jesus. is in us and setting people free from captivity or the perversion of prison Can you identify with this? Okay day four water your seeds seven times per hour per day by memorizing and thank you. matthew 6:9 the lord's prayer we preach deliverance to our captivity by captivating seeds and replacing our fourth tree with a new seed our father which art in heaven we captivate your word and hallowed be thy name jesus which is above every name release us from the prison from pride and arrogance and make thy will be done on earth as it is in heaven. give us this day our resurrected bread john 10; jesus said lord i thank that you hear me and i know you hear me always. say this

5 The Fault Zone Day five we will talk about recovering your blind spots of patience. You must not back off in prayer memorizing and fasting when you see the cracks of blindness or not caring in the wall of your house. You must allow the Holy Spirit to shine a light of love, mercy, and patience into the bricks of this wall. As you build in prayer, worshipping, and fasting, you will be reminded in **James, 1:1-2**, that says "Count it all joy." This is a new brick. When you are tested with sadness, tempted, and tried, you must know you are remodelling the house of your heart trees, knowing that the trying of your faith, your vacuum, your magnet and mirror produces patience, accuracy consistency, and focus. which is a new brick in the wall of your house, have its perfect work. These bricks are going to be working and moving in you, sustaining you and giving you energy which is something you can count on as your resource, which is like a nuclear plant. These are all the powers of the Holy Spirit. of the fruit of patience galatians 5:22 shows its value and its opposite appetites called the works of the flesh or its desires

Philippians, Chapter 3:13,14 brethren i count not myself to have apprehended but this one thing i will do "Forgetting those things which are behind and reaching forth into those things which are above and press towards the mark or prize of the high calling of God," which is Christ Jesus. This perfection of brick is active because of the connection of the Holy Spirit. memorize this chapter

James, Chapter 1, says: let patience have its perfect work "Causes you to be perfect, entirely wanting nothing." In **Mark 11:13 and seeing a fig tree afar off** Jesus saw a fig tree which had fault zones because it did not produce fruits. It dried up to the roots and withered away cursing and pulling up these old root-weed characters. We will show how to chart your colours and see new bricks of Christ and the Holy Spirit called Love Transformations. You will see God gluing you back together like Humpty Dumpty. Or the roadrunner Jesus is going to put you back together again.

The Holy Spirit exposes these grey areas that go unnoticed. Once these walls are rebuilt in Christ, you can share them with other nonbelievers or believers with confidence because your past has been forgiven and metamorphosed or transformed new. You are no longer crawling on the ground like a worm, but you are flying beautifully and soaring high like a butterfly. **(See Chart 91.)** This will show you how the seven Holy Spirit dimensions function in different characters, and how they helped Nehemiah build the walls. see chart 91 of the seven wells of the heart and how they grow. day five we memorize and declare five times today every hour james 1"1-2 we release patients and joy to have its perfect work in our fifth hole in our garden. and we count it all joy when we fall into divers temptation knowing the trying of our faith produces the tree of patience and i won't be stressed out anymore

Page 6 day six In this passage, we will explore the negative weeds of rage and offence that spring up in the cracks of the walls, like we see them on the sidewalk. and we pay no attention and walk over the weeds of offence until we get sick or in trouble then we call on god .When you walk on the sidewalk and these weeds sprout up from the sidewalk, it becomes hard to notice them when you walk fast. you do not become aware that there is a gaping hole under your feet. Many people have broken their legs and ankles because they were not paying attention. They are too much in a hurry to get to where they are going. . This is how these fault zones operate. They pull you the wrong way so that you can make wrong decisions or pull evil desires from our old trees and wells. The new scrolls and charts will help you to pray daily and test the signal of the tree. These scrolls and charts are designed to help you be attracted to Christ and His divine nature and to help you follow Jesus, the father of lights, and the Holy Spirit, in all seven areas of your new divine character. These new bricks in your wall from the character of the Holy Spirit are like vacuums pulling you into Jesus' character to help you navigate your compass in and out of heaven **II Peter 1:1-12:** "For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Savior Jesus Christ." What is a vacuum? The old scales of your old conscious, which are hard and callous, will fall off like they did with Paul in **Acts, Chapter 9:1-23**. After he was prayed for, the scales fell off his conscious eyes. Has this happened to you? or is the vacuum pulling you into hell. Paul's old nature, which was controlled by the signal garden voids of the devil, made him murder Christians and be full of hate and malice and bitterness. When the saints began to pray, acts 4:24-31 then god began to move for their benefit and arrest Paul and convert him. this must happen to the muslims today .the Holy Spirit then arrested Paul in acts 9:3-18 on the road to Damascus and gave him new eyes and scales fell from their eyes in his conscious through the Holy Spirit. Once transformed produced a divine nature which gave him a new compass and a magnet that vacuumed or pulled him into Christ purpose . This is what the blood of Jesus does, it gives us the same DNA as Jesus to have a vibrational match. **Matthew 5:1-12** calls it a hunger, a thirst after righteousness when the Holy Spirit is activated in our hearts. **Galatians 5:22** calls it walking in the fruits of the spirit. Connected to the vine of Christ, we are the branches. **John 15:1:** So by drawing from Christ, we should be able to produce the fruits and the character of love, joy, peace, goodness, long suffering, patience, meekness, faith, gentleness, and temperance. By developing these fruits, a vacuum takes over, which is called virtue. **II Peter 1:1-12.** The vacuum attracted a sick woman, and she ran after Jesus to be healed. **Mark, 5:25-34**, who suffered from an infirmity tree. whereby she had bleed for 12 years. She had heard that Jesus had come, and she pressed through the crowd and touched his garment. She was the only one that touched him with passion and captivity. She touched his robe of righteousness. She pulled virtue out of the body of the robe that the priest wore by merely saying, "If I may touch but his garment, I shall be made whole." When she touched his robe, he turned around and said, "Someone touched me." He said this as he became aware that the virtue had left his body. If your signal is activated, memorize mark 5:25-34: you can pull answers from Jesus. so say this ten times every hour i will touch the him of his garments and activate my virture tree. child thy faith has made thee whole go in peace and be whole of thy plague of offence so everone i interact with today may be touched with love and celibration and i will not get offended .but i will celibrate the test today

Page 7 On February 17, 2014, during the morning prayer, the Holy Spirit fell upon me and revealed himself again in a tangible way. The Holy Spirit began to redefine his portion and his serenity. After prayer, I saw the axe head as in **2 Kings** where Elisha begins to talk to the axe head. Here the prophet began to build a house. There was no room for them to pray and sleep. As the prophets were working, the axe head came off and went into the water, and they could not see the head of the axe. They called Elisha, and he grabbed his shield, and the axe was glued to the stick by the anointing. I never saw this until the Holy Spirit caught me up in the spirit and showed me the power of God, that this signal of the Holy Spirit is a glue also. The anointing acted as a vacuum also on Elisha when he spoke. And when he said, "Where is the spirit of Elijah," then he pulled the axe head to the surface. The Holy Spirit is a vacuum to pull sin and righteousness by God's power to the surface of your mind so you can act on it and fix your life. This is what the Lord was trying to show the other young prophet, that the anointing cannot only flow, it can be pulled too. In my studies in prison, I saw many people love Jesus, and this is a flow, but they can pull Jesus into their conscious. I saw faith flow into my hands like an axe head. Then I heard a voice say to me that Peter, in **Acts 10**, had a vision not by chance. He got this because of consistency. Every day he prayed at the same time. I began to notice that when I prayed with certain people this vortex or the mantle of the Holy Spirit talking to me would be shut down and the trance or vision would not be showed to a degree that they would not experience the presence of God by revelation or God would not give me the interpretation. This is the place we want to be, like Paul when he said in Ephesians he was not taught by human wisdom. **Ephesians 4:7**: "But unto every one of us is given grace according to the measure of Christ's gift." In **Luke 18:27**: "The things which are impossible with men are possible with God." Is there anything you have been struggling with? **James 3** says that this wisdom or substance is earthly, sensual, and devilish; this substance has no hope. **Hebrews 11:1** says: "Now faith or revelation is the substance of things hoped for and the evidence of things not seen." We are looking for heaven to fill these voids of emptiness that torments us. These only come out or show up by fasting and praying. Your spirit man cannot get a clear channel or frequency to hear God's voice. Instead, you will have interference in concentrating because of the forces of darkness. **Ephesians 6:10-15** shows this old television station says we wrestled against principals and powers and rulers of darkness and spiritual wickedness in high places. These are the real cracks in our fault zones. These cracks in your conscious are the fault zones that drain your blood. In the analysis of the Humpty Dumpty fault zones, we begin to see another trend where Humpty Dumpty's faults zones were never repaired. People like him with these same zones pay attention to the cracks instead of looking to fix the fault zone. In **2 Kings 6:5**, we use the analogy of building and losing your tools. The tool today is the Holy Spirit, just like in Elisha's day. But if you notice, the pastors do not speak about the Holy Spirit in depth. The question is: What makes them not encompass the Holy Spirit in all these teachings or trainings like how our master Jesus did? because they refuse to call back the ax head. so memorize and declare five times a hour all day **2 kings 6:6** lord i receive your dobble portion trees of eturnity .therefore he said take it up to thee right now see your self taking up what you lost and expect it to happen now today

Page eight. 2 kings 6: 6 we are so used to panic so look at this passage says: "Because of the anointing of the double portion on Elisha. When he spoke to the axe head, it began to float. Elisha cut down a stick and cast it into the place where the axe was lying deep into the water. And the holy spirit made the ax float..have you lost something so valuable ..that you were using to rebuild your life **1 Kings 6**. This was a metaphor. The tool or stick represented the gift on Elisha. The axe represented the problem Elisha's spirit man was able to defy with the laws of gravity as he spoke to the problem.In **Verse 6**, the Holy Scripture said the axe-head did swim, then he told the other prophets to watch as he took up "the axe" and he put it in his hand. **Verse 7**: "But he remembers the axe was floating and swimming by itself.Every problem arises.Like Isaiah says:60 "When the enemy comes in like a flood, the Lord," or the Holy Spirit, "will raise up a standard." This is what we are looking at, The standards of the holy one, Jesus. He is the only one that has access to your conscious, which is your new spirit.Jesus will install the Holy spirit to fix, the fault zones.revelations 5:6.The seven spirits represent seven divine characters in the father's personality.**1 Corinthians 12:1-12** Paul explains the nine gifts of the Holy Spirit and dimensions. God reveals the different aspects of God's personality. These tools are for our edification and transformation to make us to be filled with the divine nature of God.We will look into the deep personality and his family's prejudice that lives in his DNA. These are the broken personality bricks in the walls of paul that keeps him falling and growing weeds in his personality.If you talk to most depressed people, they think they are falling constantly in their depression. They cannot reflect the nature of Christ because the old Humpty Dumpty walls are crooked and loose and falling out of place. They are manifested by paul's weakness in his appetite to live in his holes of the past and are kept in bondage by his wells of depression and fear that were never refined or activated in Christ Jesus and the Holy Spirit.

Let us look at the principles of the standards of the Holy Spirit to fix Humpty Dumpty's fault zones. We must look at the weaknesses or the infirmities and the shortcomings.When the Holy Spirit peels back the layers of these bricks, like personality trees and the fruit they bear, the Holy Spirit begins to see deeper into the divine nature of Christ and show the holes in you. **Romans 8:2**, "For the law of the spirit of life in Christ Jesus hath made me free from the law of sin and death." **James 1:22-24**, "But be ye doers of the word, and not hearers only, deceiving your own selves. For if any be a hearer of the word and not a doer, he is like unto a man beholding his natural face in a glass," MIRROR. "For he beholdeth himself and goeth his way from his old garden fruit trees and straightway forgetteth WHAT MANNER OF MAN,"or WOMAN, "he was."But whoso looketh into the perfect law of liberty mirror and continueth therein,he being not a forgetful hearer but a doer of the work, this man shall be blessed in what he does **DAY EIGHT**."let's memorize and declare ten times a hour for eight hours today philippians 4:13 .as you interact with people and they try to stress you out .say ,i can do all things through christ which strengthens me and memorize also psalms 23:1-6 the lord is my shephard i shall not want and now see god healing you in the storm and removing the sickness or lack to rebuild our stability immune system tree from panic poverty tree

Page nine Judges 6:12-30 look at of Gideon's dormant mirror and how he dumps out his weaknesses that gives him a signal of defeat. When God came to Gideon, he did not believe of these angelic zone. On one side, Gideon was timid and humble when he stated that he was the least of his father's sons. This is one of the disfigured humps in the garden of Gideon's. Even when Gideon doubted and worried about his success, God's sovereign hand is still trying to seal his armour with the Holy Spirit. After the Holy Ghost vacuum seals your conscious with confidence, this places you in a hedge of protection. **Job 1:1-22** "The devil saw this seal and hedge around Job and possessions." The devil saw you when you were born, and the devil saw your parents and your grandparents.. This is the glue that the Holy Spirit revealed to me. Gideon had this glue, which eventually turns into a mighty connection with God and even makes his enemies run in terror. His opponents had a dream and saw Gideon winning before the battle, **Judges 7:1-2**, the Lord said to Gideon, the people that are with thee are too many for me to give the Midianites into their hands, lest Israel boast or promote themselves against me, saying, my own hand hath saved me. The Lord knew their weak hearts. God said they would COMPLAIN or boast. This is the hole in the garden in the Humpty Dumpty fault zone that divided the attention from the glory of God flowing or pulling on the anointing. We are looking with grass weeds glasses against the gravity of the holy spirits divine nature to pull God into the picture or on the scene to deliver you. elisah servant did not know there were invisible angels. **2 Kings 6:16** "Fear not, elisha said for they that be with us are more than they that be with them." THE INVISIBLE WORLD IS MORE real than what you see. Take your eyes off the battle and look at the creator who created all things. **2 Kings 6:17**, Elisha prayed Lord, I pray thee, open his eyes that he may see," or activate his wells that control his sight. "And the Lord opened the eyes of the young man," or the scales fell off, "and he saw. And, behold, the mountain was full of horses and chariots of FIRE round about Elisha." Do you know that you have angels around you today protecting you and your loved ones? exercise thanksgiving right now. Just say thank you, Jesus, for surrounding me with angels of protection. We now see the importance of the Holy Spirit. Samson had the Holy Spirit through the covenant of his hair. **Judges 14:6** says, "And the spirit of the Lord came mightily upon him to kill a lion. but Samson did not use the anointing of the Holy Spirit to guard his own appetite from the adulterous woman. All he had to do was ask the Holy Spirit for help to manage his appetites. **Joel 2:28** talks about God pouring out his spirit on all flesh. **Judges 7:1-22**, God shows Gideon that the men are too many. "Take them down to the water." **Verse 5**: "Every one that lappeth of the water with his tongue, as a dog lappeth, him shalt thou set by himself. See, these people put their hand to their mouth and kept watching, trusting in God, depending on God's guidance. Others bowed down on their knees in awareness of the atmosphere. The 19,700 men were not in tune with God because of their fault zones. Gideon had to send those men away back to their families and only took three hundred. God separated the weak from the strong. God separated the broken from the true warriors lets pray. separate us lord jesus from false friends memorize judges 7:5. and bring me three hundred of godley soldiers to help me in my christian walk. pray this hedge of protection blood line over you daily and nine times a hour over your family and write down thoughts

Page 10. Just because you have big army does not mean you have the victory. God saw their fear in their personality. You cannot see people's true hearts. You may like them, but that does not mean they're with you in the battle you are facing right now. Can you see this The fault zone of fear was invisible. Gideon could not see this trait or impulse to be afraid of dying. You cannot take people into battle with you if they are deeply afraid to die. The pressure of the fault zone will make them fall away. This will occur because they were not trained to deal with certain spiritual attacks of worrying about their families. like the attacks of islam today .I went through this but the Lord's intervention sent me to a 40-day fast. **Judges 7:9**. Watch. God tells Gideon, "Arise, get thee down unto the host; for I have DELIVERED IT," the enemy, "INTO THINE HAND! PICTURE THIS AS A NEW TREE! This is what God is telling you about your struggles and your doubts. first. We must not allow them to attack us first. You attack them in prayer. Ask yourself: Where are you going? Like Gideon, some of your friends cannot go. You must get this in your spirit and conscious. Not everybody in your life can go with you into your destiny. All shall be tested for the journey. I mean everyone. I see this in all my endeavours. I have seen this even when I tried to get some people to type my books. When they would start to type, the devil would attack them. The vacuum of their conscious would suck fear into the mirror of the TeleVision screen WHERE THEY ARE BARREN OR UNDEVELOPED OR THEY REALLY DON'T HAVE A PURE MOTIVE TO HELP OUT. This holy word is like a meter that shows flaze. These are the old bricks in the treasury of their conscious. If God did not remove these old men who were grieving, what would have happened? The fearful soldiers would have sent out a signal from their vortex of fear, vexing and vacuuming all other men to be afraid. This is why God separates you from some people's. FEARFUL SIGNAL. He knows they really have a deep, hidden false tree of sabatoge. Now let us look at Gideon's signal and how God developed his NEW GARDEN. In **Judges 7:9**, God said, arise get thee down "I HAVE DELIVERED IT INTO THINE HAND," or given you confidence that vacuums you beside me. Look at this. God shows Gideon the infirmities in his fault zone. **Judges 7:10**. Watch. God spoke to Gideon's conscious about his inner fear that no one could see, saying, "But if thou fear to go down." God knew that Gideon did not have a clear signal of victory like some of us. What did God tell you to do? Do you have a clear signal or picture of victory? If not, wait. Watch what our father does for Gideon. I love Jesus for his gentleness. God told Gideon, "Go thou with Phurah thy servant down to the host, and thou shalt hear what they say." The enemy was saying something. Listen ,Your enemies or adversaries are saying something about your success. You are not seeking God for his impartation to see the battle like God sees it. "And afterward shall thine hand be strengthened." God said ,What hand is he talking about? He is referring to his infirmity of weakness in the holes in his conscious garden or fault zone. These are our inner hands that are connected to the Holy Spirit. We need to pay attention to the creator. instead of the old nature that was a creation of man. **Judges 6:34** shows, "But the Spirit of the Lord came upon Gideon." He blew the trumpet, and the men were gathered after him but did not stop the fear of the fault zone. memorize and declare ten times daily until the tree of life fills your being that your troops will follow you in your vision from jesus. proverbs 13:12 hope deferred makes the heart sick but when the answer comes it is a tree of life

Page 11 day 11.Okay. **Judges 7:1**. Remember, God strengthened Gideon to go against his conscious walls of fear and doubt in his image fault zone. by GIVING HIM DREAMS THAT HE WAS A RULER AND A WINNER until joy and faith filled his heart's garden zone. In **Romans 8:37**, the holy word says we are more than conquerors fill your garden zone with this promise. This means that one gains victory by struggle or in deep prayer or intercession TO CHANGE THE WAY YOU SEE YOURSELF IN THE CONSCIOUS MIRROR.**Romans 2:15** talks about our conscience also bearing witness from these new walls in our fault zones.the scripture will talk to you that it has attached itself and you can draw from this fuel.1 **Corinthians 8:7**, "And their conscience being weak is defiled," then Gideon went down with his servant to see and hear what the enemy was saying.**Judges 7:12**, They were "laying in the valley like grasshoppers for multitude" and a great army in the natural. but not in the spiritual realm or the conscious of Jesus. There the element was small or easily turned off to the creator by his eternal power; but you, Beloved, also have this power, when you receive Jesus as Lord .his supernatural power will help you not to look at the enemies.if you ask Jesus to fill all your hearts garden with faith love trees. But impatience, this is one of the biggest fault zones. The TIME zone going in and out of the spirit of faith and impatience. Sometimes you trust God and sometimes you doubt. Why? HAVE YOU EVER EXPERIENCED THIS THOUGHT OR IMAGINATION OF FAILURE? God had to transform Gideon's innermost garden being. by showing Gideon the heart of the enemy he was able to see all sides. .Let us look a little deeper into this story. Let us take off our natural eyes and put on our spiritual eyes. Now, let us remember who God is. He is Jesus who knows our enemies' hearts and their weaknesses.**Judges 7:13**: "And when Gideon had come," near the enemy's camp, "behold, there was a man that told a dream," from the enemy's camp. Gideon and his servant heard the man's dream. The man said, "Behold, I dreamed a dream and, lo, a cake," not a bullet or a bomb but a cake, "of barley bread tumbled into the host of Midian," the entire camp of Midian. I can hardly understand this because, as I write this, I am thinking of a certain problem in my life. I can relate to this. The cake tumbled into a tent and smote it. Listen. It fell. Here goes this fear fault zone in Gideon transformed ,listen and how God overturned it. This man from the enemies camp is seeing the battle in his conscience overturned. The Hebrew Torah or covenant became a cake. The cake turned the tents upside down. This man is seeing this. And it burned into his conscience. The Lord will fight your battles. God will get involved in your problems and take over as the pilot and drive the plane INTO the battle. This shows the weak bricks in the enemies' fault zones OR IN OUR OWN CHARACTERS.When Gideon waited on God and let the Holy Spirit get involved, Gideon saw the heart of the enemies collapsed and fainted under pressure of the holy dream of victory. When God sent a dream .This sent out a signal, and they were all terrified. This is how God works if we will fast and pray. Listen to what other soldiers said. This is nothing but the sword of Gideon, the son of Josh. Now remember, Gideon's father was into witchcraft and not a follower of God. Now we see what happens when a man repents for his family and tears down the high places of satanic worship and idols. And it says But Gideon found favour with God.memorize this passage judges 15:15.say this ten times daily every hour put your name and family hear Lord thank you we have found favor with you like Gideon

Page 12. Humpty Dumpty Fault Zone After, he tore down the idols of the Israelites. **Judges 7:15**, "And it was so when Gideon heard the telling of the dream and the interpretation thereof that he worshipped and returned into the host of Israel and said, 'Arise, for the Lord hath delivered into your hand,'" the ability to captivate and conquer, "the host of Midian." I do not know you, but I know that everyone has a battle in their mind or in their emotions or in their conscience garden, and we will teach you how to allow the Holy Spirit to help you receive and captivate the super-natural power of Jesus by his holy word 2 corinthians 12:3,4,5,.says, Wherever you are, you must seek God for guidance to show you where you are in the stages of the battle. What are you battling with today? Write it down and send an email or blog, and we will help you receive guidance from the Holy Spirit. www.godmanarmy.com Just like Gideon in the beginning, God spoke to him. So he tested the voice to see if it was authentic judges 6:13.and asked why is there no miracles .He was then instructed to tear down the high places of perversion of his father. Like, my father's sin was adultery. What is your family's weakness? You must tear this down.**2 Corinthians 10:5. Practice this exercise daily!** "CASTING DOWN IMAGINATIONS and every high thing that exalteth itself against the knowledge of God and bringing into captivity every thought to the obedience of Christ." In Volume 3, we will also look at planting this in our new harvest.Let us now look at Joseph's fault zone and how he boasted to his brothers with the nettles of his dream. We will explore when Joseph told his father and his brothers about his dreams.After he told his brothers the dream, the fault zones of jealousy and betrayal springing out of the well cracks of their hearts. **Genesis 37:5-11**, "And Joseph dreamed a dream, and he told it to his brothers, and they hated him yet the more," because of Joseph's dreaming ability, and his dreams made him sound better than others.They did not know why they hated him, but the fault zone was bleeding out of their heart. They are the old fault zones of Humpty Dumpty. We are going to see how his brothers' and the wife of Potiphar's fault zones stimulated Joseph's position into a high political office in the king's palace. This drama, as played out, shows the depth of jealousy and how it is triggered. When you are going through a bad time in your life, just like Joseph, it will seem hard to comprehend what is really going on in your mind. You will say because deep down in your undeveloped fault zone you are also trying to figure out and pull out answers for the test or trial .but because of a lack of training or mentorship.Joseph could not see the master's wife premeditated motives and the lust in her eyes. but here in this test God holds back his power to show Joseph the devil in the heart of the woman's fault zone.In **Genesis 39:1-25**, we see the master who bought Joseph could not see the Godly gift in Joseph.When Joseph came on the scene because it was not fully developed,but the signal pulled out the weakness and the neglect of his wives fault zone.memorize and pray eight times daily and declare judges 7:15.lord jesus we come in agreement with your holy word and we delare we tare down all past family idols of neglet and uproot them and replace these holes with psalms 91:1-16.all day dont panic declare gods holy word.

13. zone family restoration Titus 2 :3 “The aged women, likewise, that they be in behaviour as becometh holiness, not false accusers, not given to much wine, teachers of good things that they may teach the young women to be sober, to love their husbands, to love their children, to be discreet, chaste, keepers at home, good, obedient to their own husbands,” listen, “that the word of God be not blasphemed.” Now, if we look at Joseph, he was producing the new fruits of the divine nature of God. **Titus 2:6-7**, “Young men, likewise, exhort to be sober minded in all things,” like not to sleep with someone else’s wife, “showing thyself a pattern of good works,” ethics, “in doctrine showing uncorruptness, gravity, sincerity, sound speech that cannot be condemned,”. **Genesis 39:7-23** The master’s wife who was in the house alone with Joseph did not have any accountability or mentor, like in Esther who had a role model named Mordechai (**Esther 2:21**). **Who is your role model? Or who are you accountable to keeping you holy and faithful to your husband or wife?** We also see in this observation that this woman had a husband in a high position. It shows that she misused her authority over Joseph. In her selfish fault zone, she had no restraint tree equipment in her nature. The Holy Spirit was absent in the management faculties of her conscience. Because of this failure to seek help for loneliness, she destroys someone’s life and places him in prison for something he did not do. But God still showed up for Joseph and perfected him in his character. **39:Verse 17**, the woman’s lies: “The Hebrew servant, which then was brought unto me, came in unto me to mock me.” Potiphar’s wife was angry that Joseph was not attracted to her. Many older women and men are like this, being married and lusting after other people. The wife of Potiphar knew how to kindle her husband’s wrath. In **39:Verse 19**, this triggered the master’s undeveloped unconnected fault zone to mistrust Joseph when, in reality, Joseph was innocent. **39: 20** Joseph’s master put him in prison for a lie. Have you ever suffered for a lie? **Verse 21** says, “But the Lord was with Joseph and showed him mercy, by developing his gift in solitude” despite his brothers’ hatred and betrayal or Potiphar’s wife who falsely accused him. God was with him and God is with you. So hang in there, help is on the way. God showed Joseph favour with the keeper of the jail, and his gift was still growing. The next passage will reveal the purpose of Joseph’s trial and tribulations and all the jealousy and lust. The whole story is about how God glues people’s fault zones despite the misfortunes. Here we will see clearly how God was fixing Joseph, gluing together his gifts to eventually save the world because of the famine. Joseph did not know God was grooming him and peeling back all his broken fault zones. This is where things metamorphosed. Things change when God puts you in an isolated place of consecration and sanctification for his purpose. In **Genesis 39:23**, we see the end results of how Joseph’s character was being formed to the glory of God. Are you willing to let God groom you to his glory and God’s destiny for you? Because the Lord was with Joseph, and that which he did, God caused it to prosper. Now Joseph’s gift came to the forefront. This was the original purpose of sitting Joseph down in prison for 13 years, to perfect his ability to understand mysteries and dreams that torment others. Let us look at this platform to influence from that angle right now. so we can see the purpose to wait on God, for him to exalt you and give you influence and power. memorize galatians 5:19 my god shall supply all your needs according to his riches records in glory behind the veil

Page 14 last day of the challenge .God has fixed Joseph to a degree that he can influence political powers.we need people like this today Henry Kissinger said “power” was the ultimate aphrodisiac, just like the past scandals in Washington DC over the years were swept under the carpet. Now remember, Joseph is in prison, and he is increasing in status. **Genesis 40:**. This part of the story will show you the end result of anyone who keeps seeking the face of God.“And it came to pass after these things that the butler of the king of Egypt and his baker had offended their lord, the king of Egypt,he threw them into prison. where Joseph resided and managed for the prison keeper. Here we will also see how god pulled on the king’s fault zone and how it played into the picture to help Joseph’s end result.This will also happen for you, too, if you will stay on the course. After fourteen days of searching god's word. Could you have had a different strategy to fulfil your goal? It’s all in perception in god's word .You change your conception, and you change your outcome. Before we can clearly see the king’s fault zone, we will look at what triggered the king to be offended. This will help you in the foreseeable future when you consider making any emotional decision which involves interacting with other people. We need, first, to check what grabs our attention,how we are triggered and how we are offended. We must examine and analyze the seven dimensions or scrolls luke 4:18,when jesus found himself in the bible .to show us how the conscious is activated and how Satan’s falsey attacks and pulls our attention. We have observed the story of the servants who both had a image of royalty and a positions of authority to support and influence the king’s appetite. Everything is appetite driven. Before we look deeply into how God is at the background to eventually spring Joseph from prison, we need to look at how God triggers emotions in others to meet your goals. We cannot figure out what God is doing at the background, but Romans says,8:28 “and we know that All things work together for good for them who love God who are called according to his purpose.” We must seek Jesus and pray to understand his purpose and how it will unfold in the most weird places and hard times of our lives.**Genesis 40:2**, “And Pharaoh was wroth against two of his officers, against the chief of the butlers and the chief of the bakers.” This problem was at the head or top of the company in the king’s house. Just like today, if you look at the people who represent our country, no one is really accountable to God. in **Genesis 40**. We see the king calling his servants into accountability.In **Verse 4**, it shows both of them had a guilty conscience on how they treated the king and how they accepted responsibility. We will see how their conscience will show up in a dream with parable. this had to happen to free Joseph and save people from the famine. The famine was in the fault zone of the baker. Let us look at the baker. His vacuum was greed.. When the king called for his food, it was always late. Do you know some people like that, when you have paid them to complete a task but they want more? They are never satisfied with their wages. They go around to other company workers to backbite and complain about the leaders.but joseph was exalted to second in command after he interpreted the king's dream about the famine. what is your famine, poverty, greed, filthy imaginations,unclean thoughts ,fear ,worry, complaining. if so Let's repent and ask jesus for forgiveness we memorize it and declare fourteen times a hour mark 4:39,and pray for our enemies write down ten people you need to forgive them and pray for them and say and declare jesus rose up and rebuked the wind and said to the sea peace be still
